2018 Berry Delicious Egg Recipe Contest At the County Fair

This contest promises to be the most delicious of all the Virginia Egg Council sponsored recipe contests, because let's face it – what's better than a recipe, held together and leavened with nutritious, delicious eggs, and filled, topped, or sauced with colorful and flavorful berries, naturally sweet in season? Meringues, pound cakes, custard pies, tarts, breakfast casseroles or waffles - these items all contain eggs and can be enhanced with some type of berries, making them eggs-traordinary. The possibilities are endless so we're expecting Virginia's clever cooks to come up with some really special creations to prove why this contest is going to be *Berry Delicious!*

Interested contestants should contact their local county fair for details.
